Briefly describe what participants are expected to learn, develop or be able to apply after completing the workshop.

14. Workshop Coordinator Details

Name: _____

Designation & Institution: _____

Email: _____

Mobile: _____

Submission Guidelines

- Proposals will be reviewed by the Scientific Committee, IPHACON 2027.
- Selection will be based on relevance, academic merit, practical applicability, interactive potential and feasibility.
- Submission of a proposal does not guarantee acceptance.
- Selected workshop coordinators will be contacted for further discussion regarding the programme and logistical arrangements.
- Submit proposals to: iphacon2027@gmail.com
- Last date for submission: 30th September
- **Registration for Conference is Mandatory for all the resource persons conducting the Pre-Conference Workshop, prior to submission of proposal.**

Note: Preference will be given to workshops that are interactive, application-oriented and provide participants with practical skills or hands-on experience rather than exclusively lecture-based sessions.
